Backend: Node.js, Express.js

Databases: MongoDB, SQL

Tools & Platforms: Git, GitHub, Postman

Education

B.E. Computer Science Engineering

Sri Ranganathar Institute of Engineering and Technology

2022 – 2025

CGPA: 8.2/10

Diploma in Civil Engineering

MIET Polytechnic College

2019 – 2022

Percentage: 82%

Secondary School Leaving Certificate

Brindavan Higher Secondary School

2018 – 2019

Percentage: 78.9%

Projects

Students Management System | *React.js, Node.js, Express.js, SQL*

2025

- Developed a full-stack web application to manage student records with CRUD operations.
- Backend: Node.js + Express.js + SQL; Frontend: responsive HTML, CSS, JavaScript and React.
- Implemented role-based access control for administrators, staff, and students.

Real-Time Chat Application | *MERN Stack, Socket.io, JWT*

2026

- Built a real-time chat application using Socket.io enabling instant messaging with live updates.
- Developed secure REST APIs with Node.js and Express.js, implementing JWT-based authentication.
- Used MongoDB for storing user data and chat history, supporting multiple users in chat rooms.

Workshops & Internships

Python with AI Intern

July 2024

Accent Techno Soft

- Completed a one-month internship focused on Python programming and Artificial Intelligence applications.

Workshops

Feb – May 2024

Let's GameTech

- Completed a one-week internship in Web Development using HTML, CSS, and JavaScript.
- Participated in a two-day workshop on Adobe Photoshop.
- Attended a workshop on Game Development fundamentals.
- Attended a workshop on Internet of Things fundamentals.

Certifications

MERN Stack Development

2025 - 2026

Jspiders - Completed a 6-month full-stack web development course using the MERN stack.

Networking Fundamentals Certificate

2024

Cisco - Completed a comprehensive program covering networking basics and protocols.

Journey to Cloud : Envisioning Your Solution

2024

IBM SkillsBuild - Completed a program on cloud solution design and implementation concepts.
